11th CONFERENCE OF THE GEOLOGICAL SOCIETY OF GREECE

FIRST CIRCULAR

The 11th Conference of the Geological Society of Greece (G.S.G) will be organized by the Department of Geology and Geoenvironment, School of Sciences, National and Kapodistrian University of Athens, at the University Campus, Panepistimiopolis, Zographou (24-26/5/2007).

The Organizing Committee has the pleasure to invite geoscientists from all over Greece and the rest of the world into a meeting covering all disciplines of Geology and Earth Sciences in order to present their work and discuss about **advances, developments** and **perspectives of geoenvironmental issues** such as:

- *Biotic and abiotic Environments in Geological Time*
- *Earth Interior and Geophysics*
- *Geodynamical Changes*
- *Natural Environment and Anthropogenic Activities*
- *Energy Resources*
- *Engineering Works and Geological Applications*
- *Geosciences and Culture*
- *New Technologies in Geological Research*

The contributions will be either oral or poster presentations. The relevant instructions will be included in the Second Circular (April 2006).

During the Conference several Workshops will be organized. The topics will be proposed in the Second Circular.

The official languages of the Conference are **Greek** and **English**.

The Conference Proceedings (regarding **only the complete papers** of the contributions / oral and poster ones) will be published after peer-reviewing in the Bulletin of the Geological Society of Greece. Abstract volume will not be published. The participants should submit **electronically** the **complete paper** manuscripts until **31/10/2006**. Detailed instructions for the authors will be given in the Second Circular (April 2006).

Pre-Registration – Information

Scientists who are interested in participating in the Conference should either fill in the corresponding electronic pre-registration form located in the website:

<http://conferences.geol.uoa.gr/2007ege>, or mail the attached pre-registration form to the Conference General Secretary, until **31/5/2006** at the following address:

*Assoc. Professor A. Zambetakis-Lekkas
